- This pattern is written using American standard crochet terminology.

Yarn Conversion

Yarn Notes:

If you are following the exact method I used by holding x2 strands of yarn together at once and substituting the original yarn with another DK yarn you will need something that is very similar.

I would suggest looking at yarnsub.com to help you substitute.

The suggestions coming up with the closest match are:

- Stylecraft Wondersoft DK
- Patons Astra
- Hobby Lobby I Love This Yarn Sport
- Loops & Threads Snuggly Wuggly

If you would prefer to use just one strand of yarn, just use the multiples in this pattern to help you get to your desired width using your favorite yarn and hook.

Yarn Colorway

Recommended Yarn:

Stylecraft Special DK - **Hold x2 strands of yarn together at once (same color for both strands)**

1. Mustard - 322 yards
2. Lincoln - 322 yards
3. Vintage Peach - 322 yards
4. Pale Rose - 322 yards
5. White - 644 yards

Yarn Color Order:

All colors are used for 2 rows each. Color 1 and Color 2 were used first then Color 5.

After that you keep repeating colors 3, 4, 1, 2 with color 5 every 4th color to break it up.

For example: After you have done the first 3 colors to start your blanket off (color 1, 2 and 5) you will then do colors 3, 4, 1, 5 then after that it will be colors 2, 3, 4 and then 5 and so on.

Colorway Options

There are many different colorways that you could try for this blanket, here are some examples:

1. All in one color - Minimalist look
2. Color one row, next row in white and so on
3. Blocks of color - Ombre style or just random
4. Temperature blanket
5. Choose 15 colors then pick randomly where they go
6. Rainbow colors only
7. Each row a different color to use up scrap yarn
8. Choose 4 colors and do 2 rows of each color and repeat

As you can see above there are many colorways to choose for your blanket, have fun with it!

Multiples

Multiples:

Remember - If you use a different chain number than what is stated in the pattern below, yard amounts will change.

Normal foundation chain - 3 + 6

Example:

- $3 \times 40 = 120\text{sts} + 6\text{sts} = \text{Ch}126$
- $3 \times 50 = 150\text{sts} + 6\text{sts} = \text{Ch}156$
- $3 \times 60 = 180\text{sts} + 6\text{sts} = \text{Ch}186$

Chainless foundation - 3 + 5

Example:

- $3 \times 40 = 120\text{sts} + 5\text{sts} = 125\text{sts}$
- $3 \times 50 = 150\text{sts} + 5\text{sts} = 155\text{sts}$
- $3 \times 60 = 180\text{sts} + 5\text{sts} = 185\text{sts}$

Pattern Notes

- This crochet pattern is worked in rows and turning your blanket over at the end of each row.
- Ch1 at the start of each row does not count as a stitch.
- Repeat what is in between the stars from * to * until the end of the round.
- If you have a ** in your row you need to follow the pattern from * to * across the entire row and then when you get near the end of the row you finish your last repeat at ** because you can no longer complete the entire repeat then follow what it says to do to complete the row.
- **Read each round carefully before starting the round.**

Pattern

R1. Ch90, 1dc in 2nd ch from hook and in each ch across, turn (89dc)

Alternatively - Make a chainless foundation of 89dc stitches, turn (89dc)

R2. Ch1, 1dc in each dc across, turn (89dc)

R3. Ch1, 1dc in first 2dc * Ch1, skip next dc, 1dc in next 2dc * Repeat from * to * across the row, turn (60dc + 29 ch1 spaces)

R4. Ch1, 1dc in first 2dc * Ch1, skip next ch1 space, 1dc in next 2dc * Repeat from * to * across the row, turn (60dc + 29 ch1 spaces)

R5. Ch1, 1dc in each dc and 1dc in each ch1 space across, turn (89dc)

R6-R7. Ch1, 1dc in each dc across, turn (89dc)

R8. Ch1, 1sc in first 2dc * **Bobble Stitch** in next dc, 1sc in next 2dc * Repeat from * to * across the row, turn (29 bobbles)

R9. Ch1, 1dc in each dc across, turn (89dc)

Repeat rows 2-9 until blanket measures 25 inches approx finishing on row 2 - Do not Fasten off. Move on to the border.

Border

Border:

R1. Join white yarn, Work 1sc evenly around the entire blanket, working (1sc, ch2, 1sc) into each corner of the blanket, join with a slip stitch to beg sc

R2. Ch1, 1sc in each sc around the entire blanket, working (1sc, ch2, 1sc) into each ch2 corner space, join with a slip stitch to beg sc

R3. Ch1, 1sc in each sc around, working 3sc in each ch2 corner space, join with a slip stitch to beg sc

Fasten off and weave in ends.

Common Questions

Can I make this blanket bigger?

Yes, please refer to the heading 'Multiples'.

If I make my blanket bigger, how many yards would I need?

Unfortunately you would have to work that out yourself so it may be trial and error as I can only go by what I made physically.

Can I use a different weight yarn?

Yes of course, using the multiples you will be able to adjust the size of the blanket using whichever yarn you choose.

Is a chart available for this pattern?

No. Only written instructions, line by line.

Do I need to block my blanket?

For this crochet pattern you don't need to block your blanket but it is completely up to you.

I have uneven edges, what should I do?

It is completely normal to have uneven edges before the border due to different stitches being throughout the pattern.

If you are finding you have uneven edges after border there are a few options, you can either crochet a few more rounds of the border, steam block your blanket or wet block your blanket and those options should sort it out.

Can I sell My Finished Blanket?

Yes of course you can! Please just give credit to Truly Crochet - Thank you!
