## Block 1/12 – 5 and Dime Store

Hosted by Pat Sloan At [Ilovetomakequilts.com](http://Ilovetomakequilts.com)

I grew up in more urban areas of subdivisions and plazas. But even a plaza can be the heart and soul of the town, it's 'Main Street'. The 5 & Dime was 'the department' store. It had everything from kitchen goods, to pajamas. Many even had a lunch counter to get a sandwich. In my grandparents town that was a Bowan's and a Kresge Department stores. As a little girl in Germany, our '5 & Dime' had a craft section in the basement where I could spend hours picking my next project.

What is the name of your 5 & Dime?
