

Downloadable Pattern/Book

Read these instructions completely before going any further.

How to make your pattern/book download a success:

SAVE THE PATTERN/BOOK

- Make sure you have **SAVED** this pattern/book file to your computer. If you did an **OPEN** when downloading the pattern/book, it is NOT saved. Click on File, Save, and make note of where you put the pdf file. The responsibility for where the pattern/book files are located on your computer is yours.

PRINT THE PATTERN/BOOK

- When you print this pattern/book from Adobe Reader, make sure your printer **Page Scaling** is set to **NONE**.
 - a. Click on Print, a window opens
 - b. Look for *Comments and Forms*. It should be set to **Document and Markups**.
 - c. Look down the list of options and find *Page Scaling*. It should be set to **None**. If it reads anything else, change it to **None**.
 - d. Make sure the box next to *Auto Rotate and Center* is checked.
 - e. Click OK to print the document
 - f. **Pattern/books with templates** - All printed templates need to be checked for accuracy. If the template has a 1 inch guide box on the page, make sure the guide box measures 1 inch. If the template has a measurement on it (usually a straight edge on the template), make sure the template measures as stated.
- Check your pattern/book carefully after printing. If it appears that text or images on the edge of a page have been cut off, you may print the pattern/book a second time. Set your Page Scaling to Fit to Printable Area.
- If the PDF or printout of the PDF does not show any fraction values, where 2 1/2" appears as 2 " (too many spaces between number and inch marker), you may need to change the platform you downloaded to and/or check your Adobe Reader version to make sure it is up to date. The download file was produced on a computer using Microsoft Windows.

Disclaimer: The Reindeer Lodge quilt is based on a quilt spied on a bed in a Hallmark Channel movie called "Reindeer Lodge". A search was on to find the maker and/or pattern for the quilt to no avail. So an Electric Quilt pattern was drafted and emerged on the internet for anyone interested enough to download it and create it on their own.

This quilt pattern is based on what was, originally, a 16" block. This quilt is made of 12" finished blocks so it is not as large as the original design.

I fell in love with it (someone at a retreat was making it), as many others did, and downloaded the original design for EQ. I re-drafted it as a 12" block. Also, since I am a publisher of quilt patterns, I added my version of piecing instructions. I feel it is an easy and fun pattern to make!

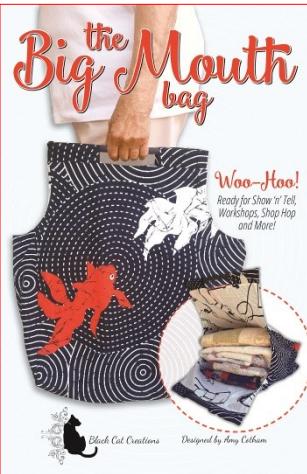

This pattern is available on Black Cat Creations' website at no charge (www.black-cat-creations.com) since we know that "someone" made it before us and may already have a pattern for it "somewhere". If anyone recognizes the pattern (I have seen something similar by Kim Diehl) please let us know so we can give credit where credit is due and possibly offer the possibly copyrighted pattern for sale.

We are providing this pattern with good intentions and without a profit motive!

Happy sewing,

Jackie Theriot, Owner

MAKE BLOCK ELEMENTS

Make 2-Patches and 4-Patches—Units A1, A2

You need:

(15) 2" x WOF White Strips

(15) 2" x WOF Red Strips

1. Pair up (15) 2" Red strips with (15) 2" White strips and sew right sides together (RST) (Fig. 1a). Press seams open.
2. Make a total of 15 strip sets.
3. Cut (3) sets into (60) 2" segments (Unit A1). Set aside.
4. Cut (12) sets into (120) 4" segments.
5. Pair up 4" segments and sew together RST 1/4" from outer edges (Fig. 1b).
6. Then, cut each set in half at 2". Open and press seams open (makes 120 4-patches) (Unit A2) (Fig. 1c).

Open and press seams open. Trim to 3-1/2" square.

Easy Quick-Corner Patches—Unit B

You need:

(120) 2" White Squares

(60) 3-1/2" Red Squares

1. Pair (2) 2" White Squares with (1) 3-1/2" Red Square.
2. Line up (1) white square, RST, in the corner of the red square. Sew a diagonal line corner to corner on the white square. Open and press toward corner (Fig. 2).
3. Repeat for the opposite corner. To reduce bulk, remove the middle layer of the white square.
4. Make a total of (60).

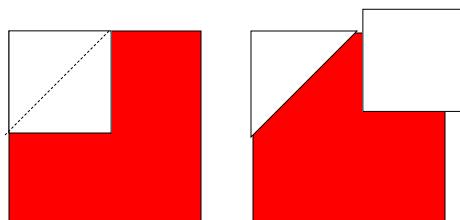

Fig. 2

Corner Posts—Unit D

You need:

(3) 2" x WOF Red Strips

(3) 3-1/2" x WOF White Strips

1. Pair up the strips and sew RST (Fig. 3). Press seams open.
2. Make 3 sets.
3. Cut into (60) 2" segments.

3-1/2" No-Waste Flying Geese Units—Unit C

Reindeer Lodge

You need:

(15) 4-1/4" White Squares (Goose)

(60) 2-3/8" Red Squares (Sky)

Follow the instructions below to make (4) Flying Geese blocks at a time.

Each Star Block uses (1) set. Make (15) sets of (4).

No-Waste Flying Geese Method

This technique is super easy and very accurate. (1) large goose square and (4) small sky squares will produce (4) flying geese units.

These are the steps:

- 1) On the wrong side of the small sky squares, draw a diagonal line from corner to corner.
- 2) Place (2) small sky squares on the large geese squares, right sides together as shown. They will overlap slightly in the middle.
- 3) Sew a scant 1/4" seam on each side of the drawn line (Fig. 4a).
- 4) Cut on the drawn line. Press triangles outward (Fig. 4b).
- 5) Place (2) small sky squares on the two new units, right sides together (Fig. 4c).
- 6) Sew a scant 1/4" seam on each side of the drawn line on each square; cut apart on the drawn line.
- 7) Press the triangles outward (Fig. 4d). You have made (4) flying geese blocks!
- 8) Repeat 14 more times.

Sew a scant 1/4" seam on each side of drawn line; cut apart on drawn line.

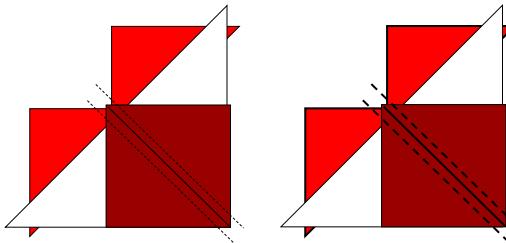

Fig. 4c

Sew a scant 1/4" seam on each side of drawn line; cut on drawn line.

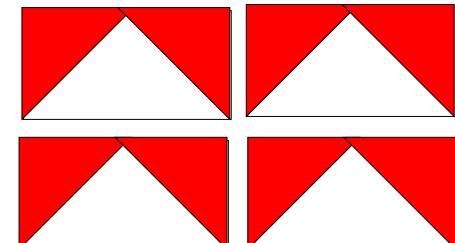

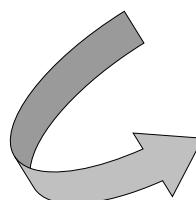

Fig. 4d

To make your own No-Waste Flying Geese:

Find the **finished** size of your flying geese block.

Add 1-1/4" to **finished** width for the large square.

Add 7/8" to **finished** height for the small squares.

Example: For **finished** flying geese 4" W x 2" H, cut (1) 5-1/4" large square and (4) 2-7/8" small squares.

Nine-Patch Square in a Square—Unit E

Reindeer Lodge

You need:

- (4) 1-7/8" x WOF Red
- (5) 1-7/8" x WOF White
- (60) 4-1/8" Triangles

1. RST, sew (2) sets of (1) Red strip and (2) White strips (Fig. 5a).
2. Cut into (30) 1-7/8" segments.
3. RST, sew (1) set of (2) Red strips and (1) White strip (Fig. 5b).
4. Cut into (15) 1-7/8" segments.
5. RST, group (2) segments from Step 2 with (1) segment from Step 3 and sew together to make (15) 9-Patches (Fig. 5c).
6. Finger press the center of each side of the 9-patches. Do the same with the (60) 4-1/8" triangles (Fig. 5d).
7. RST, sew (2) triangles to (2) opposite sides of the 9-patch (Fig. 5e). Repeat with other (2) sides.
8. Trim to 6-1/2" square. Make (15).

BORDERS

1st Border

1. Sew (7) 2" x WOF Red strips together into one long strip.
2. Measure quilt center side to side and cut (2) pieces to this measurement.
3. Sew to the top and bottom of the quilt center.
4. Measure the quilt (including the first set of inner borders) top to bottom and cut (2) pieces to this measurement.
5. Sew to the sides of the quilt center.

2nd Border

1. Join (4) 3-1/2" x WOF of the White border fabric with diagonal seams.
2. Measure quilt side to side and cut (2) pieces to the measurement.
3. Sew to the top and bottom of the quilt center.
4. Join (4) 3-1/2" x WOF of the White border fabric with diagonal seams.
5. Measure the quilt (including all borders so far) from top to bottom and cut (2) pieces to this measurement.
6. Sew to the sides of the quilt center.

Binding

1. Sew the 2-1/2" binding strips together into one long strip using diagonal seams.
2. Fold in half lengthwise and press.
3. Sew to the front the quilt with 1/4" seam, mitering the corners.
4. Turn to the back and finish by hand.

Backing

1. Remove selvedges.
2. Piece to fit the quilt top leaving room for quilting —at least 4 inches at top and bottom.

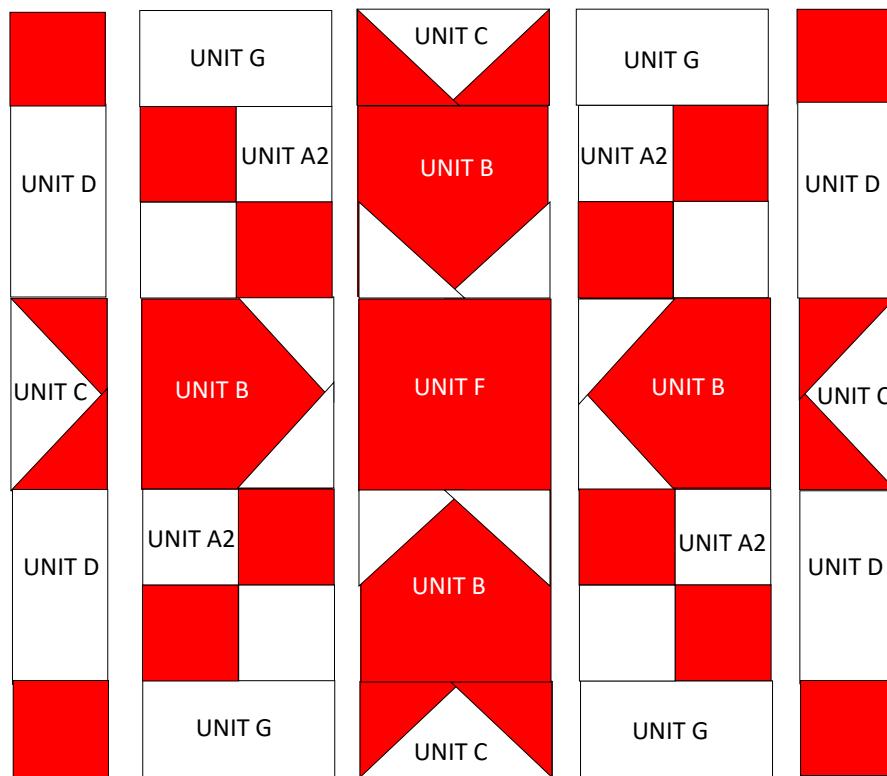

Label

Add a label with information about the quilt.

PUT BLOCKS TOGETHER

Star Block — Assemble in columns as shown. Then, sew the columns together.

Press all seams open.
